27<sup>th</sup> September 2024

Dear Parents

On Friday 18<sup>th</sup> October 2024, The Emsworth Dental Surgery will be attending the school to provide an educational lesson on dentistry.

During the lesson, the children will be offered a disclosing tablet.

Disclosing tablets are chewable tablets used to make dental plaque visible.

After brushing, one chews a tablet and rinses.

Coloured stains on the teeth indicate areas where plaque remains after brushing, providing feedback to improve brushing technique. If you require any further information about this, please call the school office and they will be able to assist you.

If you do not wish your child to use the disclosing tablets please log on to Arbor, 'Trips', Year 4 Disclosing Tablets so that we can let the dentists know on the day.

Kind regards

The Year 4 Team
