

Padnell Junior PTFA Newsletter - Summer 2024

Meet the team...

Since forming the PTFA we have started some small fundraisers to get some money in the pot before the end of term. We sold England flags to support England in the Euros and have also been selling ice lollies and sweets after school. So far, we have raised a fantastic **£196.40!** Thank you to you all for your amazing support!!

What are we raising money for?

After talking to the school councillors, and discussing ideas in our meetings we have come up with a few ideas...

- ✚ a buddy bench for each playground
- ✚ a sensory room
- ✚ more immersive events or visitors for History week
- ✚ outdoor games for lunchtime e.g. large connect 4 and large Jenga
- ✚ giant chalk boards

Fundraising ideas

Last week we met for a brainstorming meeting to come up with some new and exciting fundraising ideas. Thank you to all those that came along and for the brilliant ideas! Some of the suggestions were: discos, bingo nights, magic shows, car boot sales, quiz nights, film nights, barn dances, break the rules day, bad hair day, quiz trails and Christmas shopping ideas. Each term we will aim to organise one "bigger" event along with some smaller fundraisers. We would love to hear any other ideas you and your children may have. Share your ideas by emailing us at PTFA@padnell-jun.hants.sch.uk

Our next meeting will be on Friday 6th September at 2.15pm - 3pm at the school (ideal time for school pick up!) and tea and biscuits will be provided!! We would love to see some of you there!
